Sir,

I have the honour to submit herewith a copy of my notice inviting tenders for the import and sale of Burma rice of the August allotment. I beg to report that I have raised the security deposit to Rs.10 per ton. This was found necessary as owing to fluctuations in the price of Burma rice amounting to a rupee a bag and more, importers who tender at low rate sometimes find it more profitable to forfeit the deposit than to supply the rice at the enhanced price. I request that this may be approved.

I have the honour to be,
Sir,
Your most obedient servant,

OFFICE OF THE FOOD CONTROLLER AND DIRECTOR OF CIVIL SUPPLIES IN MYSORE.

Dated 24th July 1919.

Sealed tenders are invited for the import and supply of Burma rice from Rangoon during the month of August 1919. The quantity to be imported may be about 4,000 tons and about 500 tons out of this may be imported in the shape of broken rice. The actual quantities of whole rice and broken rice to be imported will be intimated after the allotments of Burma rice for August are sanctioned by the Foodstuffs Commissioner.

2. This rice should be purchased at Rangoon subject to the conditions imposed by the Rice Commissioner, Rangoon.

3. Allotments of necessary shipping space and Railway waggons from Madras Harbour will be arranged for by the Food Controller.

4. The accepted tenderer should give a security deposit or Bank guarantee at the rate of Rs. 10 per ton.

5. The whole of the imported rice will be bought up by the Food Controller on behalf of Government.

6. The Food Controller's directions as to the places where the imported rice should be sent and the persons to whom it should be sent should be complied with.

7. The tenders should quote the lowest price for godown delivery in Bangalore City or on rails at Bangalore City Railway Station per bag of 227 lbs. gross (225 lbs. nett). For consignments sent under the orders of the Food Controller to places other than Bangalore City, the difference in freight and cart hire will be added or deducted as the case may be.

8. The quality should be quoted and guaranteed. The qualities which may be required are small Mills and Big Mills whole rice and B2, C2 and C3 brokens. The accepted tenderer should obtain a survey certificate as to the quality of the goods from an authorised surveyor, and produce it before the Food Controller at his own cost.

9. Tenders will be accepted up to 12 noon on Saturday the 2nd August 1919.

10. Each tender should be accompanied by a deposit of Rs. 500.

11. The acceptance or rejection of tenders will be intimated on the 4th August 1919. The Food Controller does not bind himself to accept the lowest or any tender. The Food Controller reserves the right to break up tenders, and distribute the tendered quantity among several tenderers. Before accepting a tender, the Food Controller may call upon the tenderer to satisfy him that he is in a position to secure the stock.

12. The successful tenderer must furnish the deposit or Bank guarantee referred to in condition (4) *supra* and execute necessary agreements by the 5th August 1919, failing which the cash deposit of Rs. 500 accompanying the tender will be forfeited and the acceptance of the tender will be cancelled.

Sir,

I have the honour to report that tenders invited for the import and supply of 5000 tons of Burma rice representing the August allotment, by the 2nd August 1919, having proved abortive, tenders were called for a second time receivable up to 12 noon on 19th August. In response to the second notice, tenders as particularized in the Annexure were received.

I solicit ~~final~~ formal sanction of Government to these arrangements and also request that the Comptroller may be instructed to arrange for the transfer of necessary funds about Rs.7,20000/- including freight at Rs.22-8-0 per ton to Rangoon and payment on presentation of bills of lading

Sir,

I have the honour to state that in connection with the clearance at Madras of the rice ordered from Messrs. Steel Brothers, Rangoon against August allotment, I have appointed Messrs. Wilson & Co., Madras, as clearing agents. A copy of their letter of the 30th instant quoting their terms is enclosed for the information of Government.

2. Before the system of imports through merchants was introduced, the clearing agents were Messrs. Binny and Co. Their charges exclusive of porterage charges were Rs.1-8-0 per ton or nearly 2½ annas per bag, while Messrs. Wilson and Co.'s terms will come to about half anna per bag of 225 lbs. I request that the arrangements made with Messrs. Wilson & Co., may be approved.

I have the honour to be,

Sir,

Food Controller & Director

KM/MPH.

Copy of letter No. nil dated 30th August 1919 from Messrs. Wilson and Co., Madras, to the Director of Civil Supplies in Mysore.

We have the honour to acknowledge receipt of your telegram of 29th instant reading:--

> 545 three thousand tons Burma rice consigned to me by Steel Rangoon arrives Madras per Orissa can you undertake clearing business for this and future consignments on terms similar to those arranged with Mysore Bank for Papasons consignment wire reply."

to which we have today replied as follows:--

> Your telegram twentyninth can undertake clearing business for Orissa and future consignments at the same rates as those arranged Mysore Bank provided no increase in steamer agents' charges writing fully."

We are quite prepared to undertake the clearance of any of your shipments of Rice on the same terms as we have been doing for Messrs. Papanna and Sons, (i.e.):

R$280/- per 1000 bags of 165 lbs each,
R$294/- per 1000 bags of 224 lbs each.

The above rates include landing, porterage, dumping into waggons stitching and our commission, but harbour dues and cranage charges are excluded, being Port Trust charges. These terms are also subject to the present landing and porterage charges - always liable to fluctuation - remaining the same. There is a possibility of the porterage charges being slightly increased and this matter is under discussion at the present time by all steamer agents concerned. Should there be any increase it will have to be on your account, although we do not anticipate an increase in the present rate for some little time.

The above rates are subject to prompt payment of bills when submitted. Our commission being so small that we cannot afford to be out of pocket for all steamer agents' and Port Trust charges for very long, no provision for interest being made.

To avoid needless correspondence please endeavour to obtain clean Bills of Lading from your shippers in Rangoon. This obviates local agents refusing claims submitted for slackages on torn bags on the grounds that the Bills of Lading are claused.

We shall be glad if you will let us know whether you wish us to do this business for you as soon as possible.
